**RESOLUTION.**—In a letter to the Finance Committee the Bombay Chamber of Commerce suggested that substantial economy might be effected by closing the Calcutta Mint and confining coinage to the Bombay Mint. The Committee, not being able to complete inquiry into the proposal, submitted the results of their inquiry, so far as it had gone, recommending the subject to the further consideration of the Government of India. The views of the banking and mercantile community of Calcutta, who were chiefly affected by the proposal, were accordingly invited regarding the necessity for maintaining at Calcutta, as well as at Bombay, the existing facilities for the coinage of imported silver.

2. The Governor-General in Council, after fully considering the views of the commercial public of Bombay and Calcutta, and the bearing of the proposal upon the maintenance of the coinage both for Treasury purposes and in connexion with the Currency reserve, has come to the conclusion that the saving arising from the proposal is not such as to warrant the Government incurring the risks from which it is at present secured by the presence of a second Mint at Calcutta. The proposal, therefore, will be dropped.

**ORDER.**—Ordered, that this Resolution be published in the *Gazette of India* for general information.

Ordered also, that it be communicated to the Comptroller and Auditor General and the Mint Masters, Calcutta and Bombay, for information.

### HIGH COURT—ORIGINAL SIDE.

#### NOTIFICATION.

*Calcutta, the 26th January, 1888.*

It is ordered that the following rules be read and passed as the rules and orders of the High Court of Judicature at Fort William in Bengal, to take effect from the 1st day of March, 1888:—

1. A list of references of every description which are ripe for hearing and are pending before the Court itself or before any of the officers of the Court, or any other commissioner appointed to take accounts or make enquiries, shall be published at such times and in such manner as the Judge ordinarily taking motions on the Original side of the Court may from time to time determine.

2. The printed cause list for each day shall contain a list of the references liable to be heard on that day by the officers before whom such references are pending.
3. Such list of references shall be divided into two parts, the first of such parts to consist of references of an urgent nature or which can be quickly concluded and to be styled "list of urgent references," the second part to consist of all other references and to be styled list of "ordinary references."
4. Urgent references shall include the following :—  
Accounts in mortgage suits.  
Sales by the Registrar.  
The settlement of proclamations, of conditions of sale, or of conveyances.  
Inquiries under Section 267 of the Civil Procedure Code or under Section 90 of the Probate and Administration Act.  
Inquiries as to what would be proper to be allowed for maintenance or marriage expenses.  
Inquiries as to whether proposed terms of settlement would be for the benefit of a minor.  
References as to the appointment of guardian and such other enquiries and references as may be determined by the Court or a Judge.
5. Any Judge sitting on the Original side may order any particular reference or enquiry to be taken as an urgent reference. Such order need not be made in Court but may be made upon a representation made by the Registrar or other officer or commissioner.
6. No reference shall be placed in the list of references for the day unless it be ripe for hearing.
7. The Registrar or other officer shall at the commencement of each daily sitting hear applications with regard to pending references and shall not hear any reference until such applications have been exhausted, but no such application shall be made or heard on any day after the hearing of references have been commenced.
8. The officer or commissioner shall on each day in the first place hear in order the urgent references on his list for the day, and shall then proceed to hear in order the ordinary references on his list for the day.
9. Each reference shall, unless otherwise ordered by a Judge, be taken in its turn, and it shall be continued *de die en diem* until it be concluded.  
No references on the list of causes for the day shall (without leave of the Court or a Judge) be postponed or adjourned except under circumstances which would justify the postponement or adjournment of a cause. The consent of parties, or the convenience of counsel or attorney shall not of themselves be considered sufficient grounds for the postponement or adjournment of a reference or enquiry.
10. References not on the list of causes for the day can, at the discretion of the person to whom they have been referred, be postponed or adjourned, but subject to the control or orders of the Judge taking motions on the Original side.
11. Any Judge sitting on the Original side may by an order in Court or in chambers postpone or adjourn any reference pending before himself or before any officer or commissioner.
12. When in the opinion of the Judge taking motions on the Original side it is necessary that some or all of the references pending before any officer of the Court or commissioner should be heard by the Court itself or by some other officer or commissioner, such Judge may recall such references into Court and any time make such order as may be necessary for the purpose aforesaid, or if the parties should consent to any such change he may make such order without recalling the reference into Court.
13. These rules are to be read with, and to form part of, the general rules of the Original side.
14. These rules shall come into operation on and from the 1st day of March, 1888.
